FAIL TO REPORT CHANGES TO SEC'Y

Officials of Teams Do Not Inform Commission When Men Are Shifted From One Organization to Another. Chism Suspended.

What may result in a general investigation in the leagues and calling to account the laxities of the various secretaries is the suspension of Player Chism, of the Park A. C., who was found to have signed two contracts. Complaint has been made time and again by Secretary H. V. Shurtleff, of the amateur commission, that the secretaries do not inform him of the changes which take place in their organizations.

Player Chism, of the Park Athletic Club, who was automatically suspended for signing two contracts under the commission, will remain until until his case can be definitely settled before the commission. According to the player's side of the controversy he signed with the Navy Yard team of the Capital City League and was under the impression that Manager La Clair had released him. Manager La Clair stated to Secretary H. V. Shurtleff, of the amateur commission, that he had not released the player, who was also signed with the Park Athletic Club of the Northern Association.

Chism's suspension is similar to several others that have occurred this year, and players have been kept in the game by the commission, not knowing whether they had been released. Laxity in clerical work has caused the secretary of the commission hours of labor where a moment could have been taken to notify him of releases.

Secretary and H. V. Shurtleff, who handle the releases and contracts of the commission which involves more than 1,000 names, are constantly checking and keeping tabs on all the players. As the lists are being gone over all players who have signed two contracts are being set down.

Marquette League. Weaver, pitching for the Printers yesterday, jumped into the Hall of Fame, by pitching a no-hit game. St. Stephen's was beaten by 1 to 1, in six innings, the Printers getting four runs in each of the last three rounds.

The veteran, Elliott, at first base, proved to be the premier hitter in the afternoon. He made three hits in his four attempts at the bat. Ten hits in all were made by the Printers, who took things easy at all stages of the game.

St. Stephen's went all to pieces in the fourth inning, and made matters worse in the next round. The last inning was a repetition of the other two and the game was mercifully called in the sixth.

Departmental League. Several of the Aggies players are finding large boosts in their batting averages as a result of yesterday's 23 to 0 defeat of the G. P. O. team.

For three innings the game was played somewhat similar to a regular contest, but the Aggies chased 11 runs across in the third inning and the decision continued for the next three rounds.

Watt and Doyle got four hits each, while Downey, Bailey, Cullinan, and Bryan made three each. There were several players who got two hits. Edmonds was the only player who failed to get a hit, as he participated in but one inning.

Columbia League. The Equitable Life Insurance Company, the newcomer in the circuit, is not daunted because it lost its opening round. The last inning was a repetition of the other two and the team is expected to show improvement in its next games.

Equitable did not score until the last inning. Braddock, which started off with a rush, got six runs in the opening round. Six more runs were added during the remainder of the game.

The two double plays afforded about the only feature to a listless contest. Braddock made both plays, Ozle, Ruiz, and Friede figuring in one and Torrey and Friede making the other.

Sunday School League. Nativity got enough runs in the opening innings in yesterday's game to offset a big inning by North Carolina and won by 9 to 7.

Starting with a rush, Nativity got five runs in the first inning and came back with two in the next round. Two

more were made in the sixth, while North Carolina got six runs in the third and one in the opener.

Capital City League. Cornell & Co. and the Pumping Station teams are booked in the contest scheduled for this afternoon, and both teams are in excellent shape for what is expected to be a great game.

The Seaman Gunners are receiving congratulations for having won yesterday's game from the Pumping Station team by a 2-to-1 score. The Gunners have been doing poorly of late, and came across at the right time with a popular win.

The Gunners got but two hits off Buscher, but took every possible advantage in baserunning, and won out over the Pumpers, who out-hit them. In addition to good baserunning, the Gunners fielded perfectly.

East Washington S. S. League. First Metropolitan is looking for a first-class set of pitchers today as a result of yesterday's bombardment at the hands of First Presbyterian. Four pitchers got their bumps, being cracked for eighteen hits. The final score was 18 to 4.

Marx, in left for the Presbyterians, got four hits during the slugfest. He lead both teams, although Crutch-shanks, the winning pitcher, followed closely with three safeties.

There were fifteen extra bases made on hits, besides the six which were stolen. Presbyterian had fourteen men left on the bases waiting for more long hits.

Independence League. Southland fell before Smith, of Lottier, yesterday and lost by 9 to 1 in a six-inning game. Smith pitched for Lottier, gets credit today for a no-hit game, as Southland failed to connect for a safety in the innings of play.

Eight miserable errors contributed largely to Lottier's victory, as the Southland players were more than generous. The game was too one-sided throughout, and would have been featureless had it not been for Smith's work in the box.

Niel, for Lottier, playing second base, got one hit and stole three bases. The lad has always been up among the leaders in the piffing game and is showing well this year.

Railroad Y. M. C. A. League. With big Bryant, in the box, Adams took another game yesterday, defeating Southern 10 to 6. No hits were made off the Adams pitcher until the fifth inning.

Snider, at short for Adams, connected for a homer, and got another hit. Melvin, the rival shortstop, not to be outdone, clipped off two doubles for his Melvin fell down on three chances which ruined his otherwise good day.

Car Department and Station are scheduled for a game this afternoon, and a generous attendance is expected. The games have been drawing fairly well of late as the fans have their favorites which they follow closely.

Northern Association. Herald, showing improved form with Eddie Thompson, in the box, won again yesterday, defeating Park by 6 to 1. Chiam, who pitched for the Park team, drew a suspension today from the commission on account of having signed two contracts.

Thompson, continued his excellent work on the slab. He allowed seven hits, but fanned thirteen batters. Both pitchers performed creditably and made the game interesting. The fielding was not of the best, but the breaks were about even.

Thompson, hitting three safe ones in as many times at the bat, was the leading afternoon hitter. He seemed to be able to solve Chiam's curves better than any of his team mates.

The resignation of veteran Pitcher "Cotton" Birck as captain of the Gallaudet College baseball team, owing to another injury to his knee, has resulted in the election of William H. Arras, of Ohio, to lead the Kendall Green nine for the balance of the season. Arras has been on the varsity outfield for four years, and will graduate with ex-captain Birck next month.

Each car will be checked as it makes the turn. Checker David Weaver having been assigned to this duty. The time of each contestant will be taken at the start and again as it checks in at the automobile club house on Georgia avenue. The driver who covers the twenty-two-mile route nearest the second time to be met time by a prominent Washingtonian will be awarded the first prize, consisting of a large silver loving cup donated by the Cook & Stoddard Company. The other prizes, numbering about forty, will be awarded to the other drivers who come nearest the secret time.

He will return in time to participate in the automobile sociability run, Saturday, for which event he has donated a five-gallon can of Wolf's Head oil.

Albright and Turner To Meet Tomorrow

Con Albright, of New England, middleweight wrestler of much success in that section, will meet Joe Turner at the Gayety Theater tomorrow night after the regular performance. Albright has been seeking a match with the Washingtonian for some time and as he has recently defeated some of the athletes whom Turner has disposed of, it is thought that the meeting tomorrow should be fast from the beginning.

For Monday night, May 27, a wrestling tournament that is expected to surpass anything of the nature yet produced in this city is scheduled for the Gayety. Among those who will be featured are the Baltimore heavyweight, who has met Gotch, Hackenschmidt, and many others of the country's best mat artists. Louis Montana, the Italian lightweight wrestler, will meet Parelli, and Joe Turner is booked to take on some fast wrestler.

Arras Made Captain Of Gallaudet Baseball

The resignation of veteran Pitcher "Cotton" Birck as captain of the Gallaudet College baseball team, owing to another injury to his knee, has resulted in the election of William H. Arras, of Ohio, to lead the Kendall Green nine for the balance of the season. Arras has been on the varsity outfield for four years, and will graduate with ex-captain Birck next month.

Lalonde Gets \$277 For Playing Single Game of Lacrosse.

How would you like to receive \$277 every time you played a game of lacrosse? That's what "Newsy" Lalonde gets for playing with Toronto's crack lacrosse champions. Lalonde was a Montreal newsboy, hence his nickname, and a great lover of lacrosse. Gradually he became a star. Four years ago Vancouver gave him \$400 and his expenses. Last year he drew down \$8,640 for playing twenty games and this year Toronto will give him \$277 a game. It beats baseball, eh?

DECIDING GAME IN SCHOOLS TODAY

Western High and Technical Meet in Baseball Contest That Will Declare Winner—Neither Has Been Defeated This Year.

The interhigh school baseball championship is to be perched on the banner of Western or Tech tonight for the deciding game is to be played at Georgetown Field today. Both schools have met and defeated all the other schools and have three games to their credit without a defeat in the championship series.

Austin, who is pitcher and captain of the Tech team, will be depended upon by the Maroon and Gray to bring back the game for the Machinists, while Loomis, who has made quite a reputation for himself this spring, will uphold the Red and White in the box.

Last year these teams fought out the championship in an added game, having been tied up at the end of the series. Tech won a memorable game at Georgetown Field against "Lefty" Holden, who was considered unbeatable. So far this year Western has played consistent baseball, and has been coached with the idea of taking all sorts of chances and every possible opening.

The real strength of the Tech team is not known because of the numerous shifts which have been made. Several stars have been added since the last advisory and there is every indication that the team will show its true form today.

The largest crowd in the history of high school baseball is expected at the game this afternoon, the field and accommodations are of the best and the high schools are thanking their stars today that the field was obtained through the kindness of Georgetown University.

Game Promised Today By Owners of "Outlaws"

Assurance was given out today by the owners of the Washington Club of the United States League that all financial difficulties which threatened the "blowing" of the local club will be straightened out before 3 o'clock, and that at that time the Reading and Washington teams will take the field for a double-header.

The majority of the players of the Washington club, who yesterday waited for hours at Union League Park for word from Manager Brown or from President Morlock, were entirely in earnest in their threat to quit the team because of lack of pay and expense money, and positive statements were made that they would leave town immediately.

Some of them went through with their threat, but today enough men are in town to make up a team, and a game was made of a double-header for this afternoon. The Reading baseball team had not even heard from at 11 o'clock today.

S.S.S. CURES ECZEMA, ACNE, TETTER ETC.

While Eczema, Acne, Tetter, Salt Rheum, etc., are troubles which affect the skin, their source is far deeper than the outside cuticle. These affections are caused by irritating humors, or uratic acid in the blood. Such impurities inflame and irritate the delicate net-work of fibrous tissue which lies just beneath the surface of the outer skin, and the inflammatory discharge thus produced is forced out through the pores and glands, and is continually kept up while the blood remains infected. This exudation causes the formation of scales and crusts so often seen in Eczema, and when they are scratched off the flesh is left raw and more susceptible to other infection. It can very readily be seen then that to produce a cure the circulation must be purified and cleansed. This S.S.S. will do. It goes down to the very bottom, removes all humors and impurities, neutralizes the excessive acids of the system and in this way removes the cause of disease. Local applications can only soothe the irritation and assist in keeping the skin clean; they never produce a cure because such treatment does not reach the blood. S.S.S. restores to the thin, acrid blood all its lost properties, makes it pure and rich and enables it to nourish the skin and keep it soft, smooth and healthy. Book on Skin Diseases and any medical advice free to all who write.
